IRIDIUM PRICE LIST

Only Iridium offers complete coverage of even the most remote points on Earth – oceans, land masses, airways, and even Polar Regions – and a comprehensive range of portable and fixed wireless products. The 9505A Satellite Phone is a great option for people who travel or work in remote areas. Small, lightweight and resistant to water, dust and shock, this phone is ideal for industrial and rugged conditions.

HARDWARE

95005A HANDSET KIT

Item #: APKTO601

\$1,445.00

Includes: High-Capacity Battery; AC Power Adaptor; International Plug Kit; DC Power/Car Adaptor; Portable Auxiliary Antenna; Antenna Adaptor; Earpiece; Leather Holster; Lanyard Wrist Strap; and, User Guide.

SKYCONNECT INDOORS

Item #: SCIND

\$2,795.00

Sky Connect Indoors is an Iridium voice and data terminal that allows standard telephones and cordless phones to be used to make Iridium calls. Users of this terminal are protected from the elements, since only the external antenna is exposed. A computer may be attached to Sky Connect Indoors for e-mail and Internet access.

ACCESSORIES

DATA KIT

Item #: ADKT0602

\$115.00

Contains the hardware and software required to establish an Iridium data call using an Iridium phone.

LI-ION BATTERY

Item #: BAT0601

\$80.00

Battery for the 9505A Portable Phone.

FIXED MAST ANTENNA

Item #: SAF350B

\$230.00

For use with the 9505A Portable Phones to deliver exceptional reception performance for permanent in-building or marine applications. Designed for free air operation (no ground plane).

8 METER MAIN CABLE

Item #: C2-NMNF-8M

\$55.00

To ensure the strongest possible signal while using Iridium equipment indoors, you must have the Fixed Mast Antenna in an optimal location. The 8 meter main cable is designed for typical installations with cable run under 10 meters.

SOLAR CHARGER

Item #: T-12i

\$425.00

The SolStar T-12i 12-watt solar charger provides an excellent choice for Iridium satellite phone users who prefer a foldable, portable power solution. This charger powers any Iridium satellite phone model. Certified by Iridium.

PELICAN CASE

Item #: PEL-1300

\$75.00

This rugged, waterproof case protects the 9505A phone and accessories, including the foldable solar panel, from damage. Available in black or yellow.

ADDITIONAL ACCESSORIES

DESCRIPTION	ITEM #	PRICE
HANDS-FREE HEADSET	HFHS0601	\$15.00

AIRTIME

Iridium airtime service is available on a prepaid or postpaid subscription basis. Prepaid services include a fixed number of minutes but no activation or monthly subscription fees. Postpaid services incur a one-time activation fee, a monthly subscription fee, and minutes are paid monthly based on usage.

PREPAID No Activation Fees! No Monthly Subscription Fees!

Minutes	Validity	Price	Price per Minute
75	1 month	\$135.00	\$1.80
500	12 months	\$600.00	\$1.20
1000	24 months	\$1,150.00	\$1.15
3000	24 months	\$2,850.00	\$0.95
5000	24 months	\$4,500.00	\$0.85

*Effective August 1, 2006, 500 minute prepaid plans will increase in price by \$60 and 1000 minute prepaid plans will increase by \$120. This also applies to Iridium Emergency Phone Kits. Please note that this price increase from Iridium affects all service providers.

POSTPAID

Iridium post-paid services incur a one-time activation fee and a recurring monthly subscription fee. Voice and data usage charges are billed monthly.

One-Time Fees	On Activation	Usage Charges	Per Minute
Activation Fee	\$45	Iridium to Fixed/Mobile	\$1.20
		Iridium to Iridium	\$0.65
		Iridium to Other Satellite	\$10.00
Recurring Fees	Per Month		
Monthly Subscription Fee	\$30	Iridium to Voicemail	\$1.20
		SMS (per message)	\$0.40
Term	12 months	2-stage Dialing	\$1.80

Iridium postpaid services subject to credit approval. One-time activation fee requires prepayment. Monthly subscription fee and usage charges will be billed monthly in arrears. To apply for credit, please go to www.i-linx.net, click on **Downloads**, then go to **Forms**, download and complete the **I-LINX Credit Application**.

To purchase Iridium products, please see the Order Form on Page 8

INMARSAT BGAN PRICE LIST

BGAN is the worlds first global, mobile communications service to deliver simultaneous voice and broadband data through a single, truly portable device—and it is now available in North and South America. BGAN allows you to set up a broadband mobile office in minutes no matter where you are on the planet. You can access your data and applications at speeds of up to half a megabit and make a phone call at the same time.
