

IRIDIUM

Accessories Overview

International Plug Kit

The international plug kit easily changes a standard US charger for use throughout Europe, Australia, India and the UK.

Battery High Capacity LI ION

This high capacity battery can provide up to 30 hours of standby time and up to 3.6 hours of talk time.

AC Charger

This high quality mains charger can be used to recharge your unit when not in use or to power the phone when the battery is low. The standard US plug can be adapted for use throughout Europe, Australia, India and the UK.

Pelican Case

This waterproof, unbreakable Pelican Case is used to protect Iridium Satellite phones and the major accessories from damage.

Data Kit

Iridium data kit is easy to assemble to your PC. Everything you need is included in the kit.
